So do we. We need your help.

We're looking for graphic designers to help us grow our world-class web applications firm here in Honolulu. We would like to meet graphic designers who can help us create elegant, effective, and eminently usable websites. We've got a few web and iPhone applications of our own that are poised to become overnight successes. Want to put that on your résumé? Drop us a line.

We're looking for someone who knows the names Khoi Vinh and Shaun Inman, someone who's read 'The Elements of Typographic Style' You will be working closely with our small team of developers to provide clients with solutions to their problems. We are very open to anyone who has a minimum of experience but a maximum of talent, so please show us what you've got even if you don't have any credentials.
